“I Am With You”

Death is nothing at all
I have only slipped away into the next room
Whatever we were to each other
That we are still
Call me by my familiar name
Speak to me in the easy way you always used
Laugh as we always laughed
At the little jokes we always enjoyed together
Play, smile, think of me, pray for me.

Let my name be ever the household word that it always was
Let it be spoken without effort
Life means all that it ever meant
It is the same as it ever was
There is absolute unbroken continuity
Why should I be out of your mind
Because I am out of your sight?

I am waiting for you for an interval
Somewhere very near
Just around the corner
All is well.

Nothing is past; nothing is lost
One brief moment and all will be as it was before,
Only better, infinitely happier.
