

In Loving Memory of

Willem (Bill) Bezemer

27th December 1926 – 27th March 2022

“There Is No Goodbye”

I will be leaving but I won't leave you
My love, you must believe me although it hurts
I want you to release me
And that you will keep on tomorrow,
But if you are lonely or anxious
I will be there for you.

I will be coming as the wind that you feel and the rain
I'll be watching what you do like the light of the moon,
Look for me in everything, and then you will find me.
Whisper my name and I will be coming round.

See the things that are invisible, what you believe in is true,
Just open your eyes and I will be there,
All you must do is to believe my words,
There is no goodbye.

I will be coming as the wind that you feel and the rain
I'll be watching what you do like the light of the moon,
Look for me in everything, and then you will find me.
Whisper my name and I will be coming round.

Look into the sky, look at the sea,
Wherever you go I will be by your side,
Every step you take, and in every moment, wherever you are,
Yeah, yeah, yeah, yeah.
