

In Loving Memory of

Pamela Olive Delmo

02/10/1949 – 31/05/2022

Pamela, Pam, Pammy, Mum, Nanna, Pameldo

- was born in Colac as the second eldest of nine children to Maxwell and Olive Hancock.
- at just 19 years of age, married her darling Neil and together they enjoyed over 53 years of marriage.
- once married, put aside her nursing career and devoted herself to working alongside Neil in whatever they chose.
- was a dedicated 'Mum' and 'Nanna' to her own beloved family and to so many more. Pam had a heart of love and concern for all, however her boys, Joel and Simon, along with Neil, were the apple of her eye.
- was an animal lover and owned several dogs over the years. She particularly loved swans.
- loved the colours mauve and purple!
- had a lifetime loyalty to Geelong, the Mighty Cats!
- loved her garden. Just days ago she carefully weeded and watered, then she sat and enjoyed it. Her favourite flowers were roses.
- loved God and was dedicated to living out her Christian faith by caring and showing love to all.
- at 73 years of age, and just ten weeks after the loss of her husband, left this world to join Neil and her daughter Esther.
