BEAUTIFUL SCENT

*While the rose has died,
Your scent will live on forever.
In our hearts, our being, and memories.
A glance, a look
Your smiling eyes,
Your passion and understanding.
Knowing all in your truthful eyes and smile
Now that you are gone, your scent will always be with us.
And we are blessed to have known and loved you.
You made our lives a better place to be!
We shall rejoice in your memory.
And smile when we think of you.*
