

Celebrating the Life of

Lola Lorna Jack

29/10/1922 – 27/1/2023

' THE DASH '

*I read of a man who stood to speak
At the funeral of a friend.
He referred to the dates on the tombstone
From the beginningto the end.*

*He noted that first came the date of birth
And spoke the following date with tears,
But he said what mattered most of all
Was the dash between those years.*

*For that dash represents all the time
That they spent alive on earth.
And now only those who loved them
Know what that little line is worth.*

*For it matters not, how much we own,
The cars.....the house.....the cash.
What matters is how we live and love
And how we spend our dash.*
