Firefighters Prayer

Fellow Fire-fighters

*We remember this day, our
colleague,*

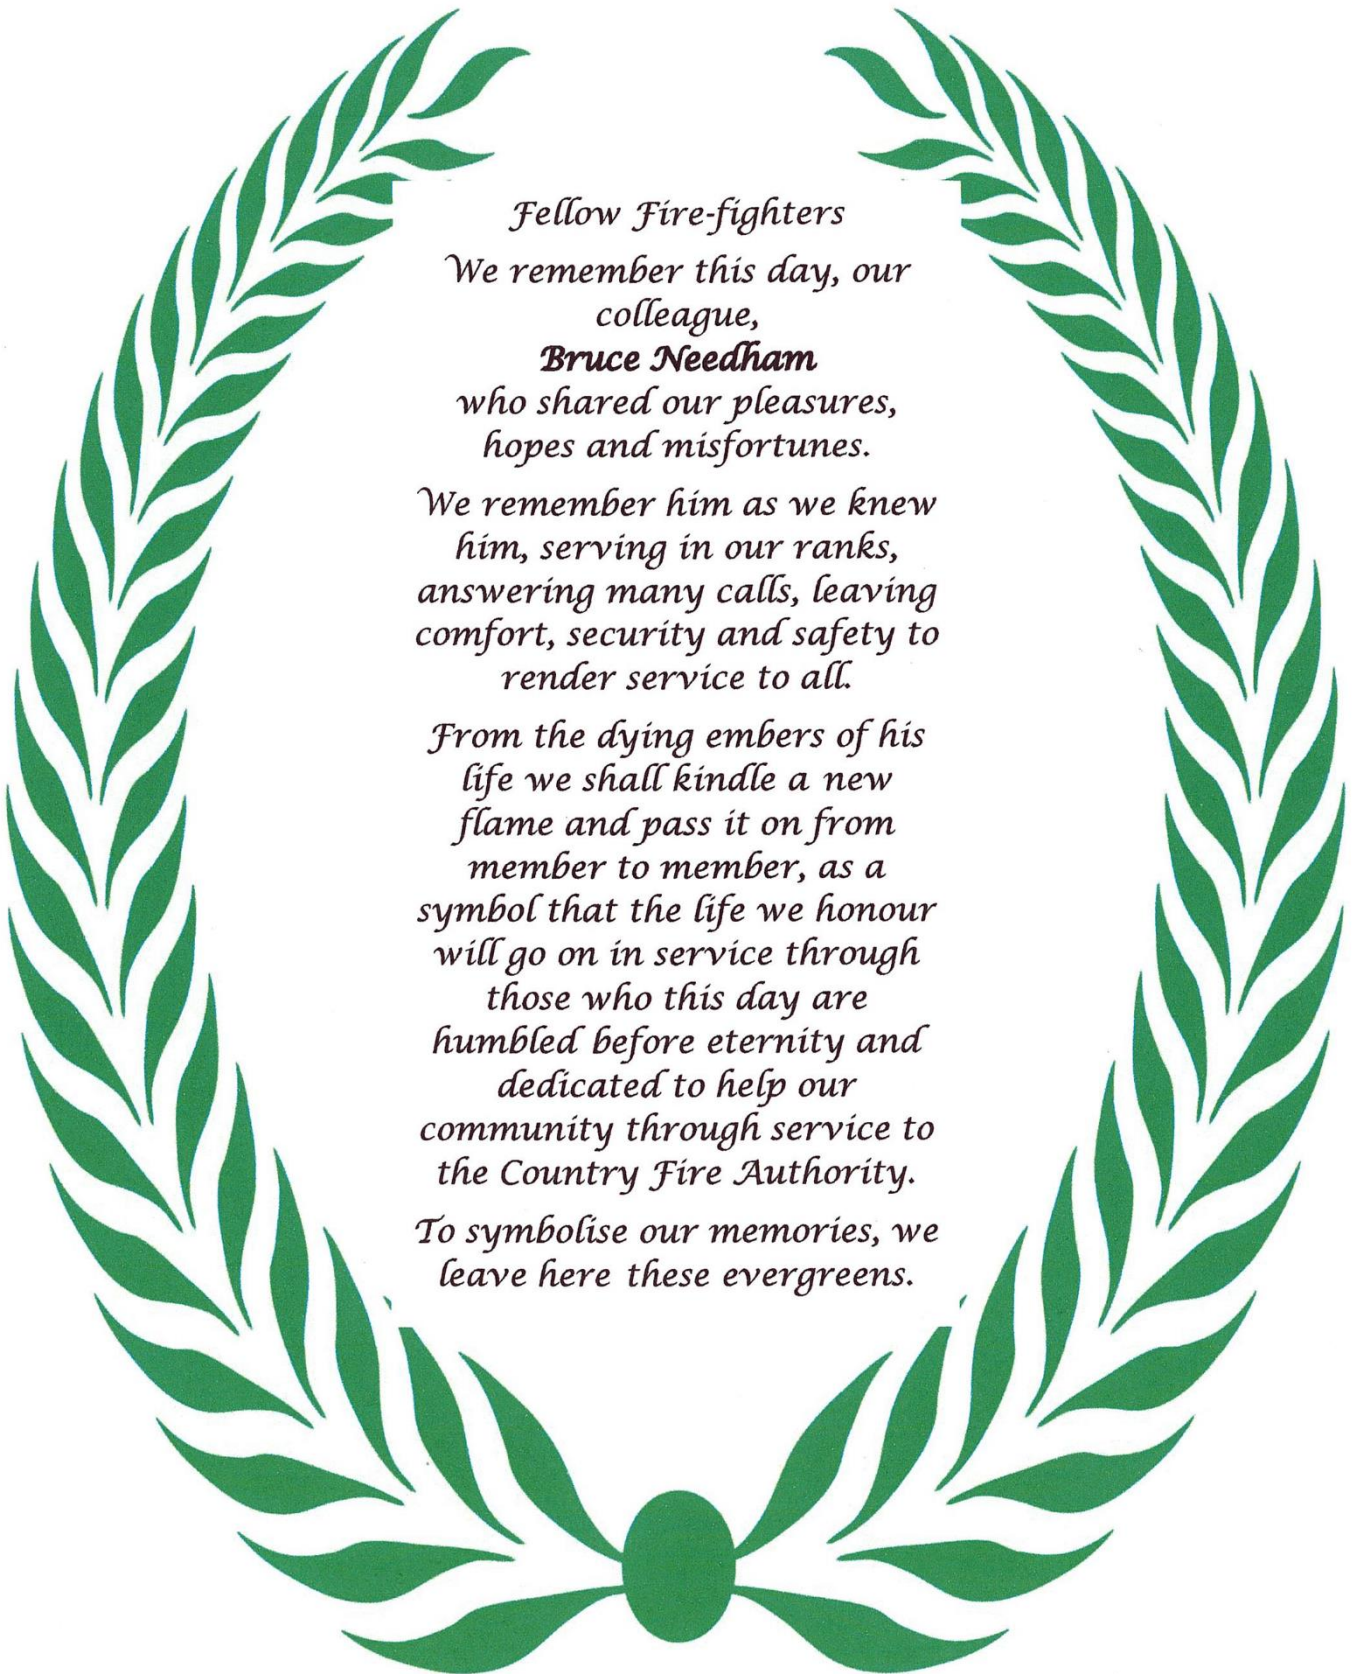

Bruce Needham

*who shared our pleasures,
hopes and misfortunes.*

*We remember him as we knew
him, serving in our ranks,
answering many calls, leaving
comfort, security and safety to
render service to all.*

*From the dying embers of his
life we shall kindle a new
flame and pass it on from
member to member, as a
symbol that the life we honour
will go on in service through
those who this day are
humbled before eternity and
dedicated to help our
community through service to
the Country Fire Authority.*

*To symbolise our memories, we
leave here these evergreens.*
