Footprints In The Sand

*One night I dreamed I was walking
along the beach with the Lord.
Many scenes from my life flashed across the sky.
In each scene I noticed footprints in the sand.
Sometimes there were two sets of footprints,
other times there were one set of footprints.*

*This bothered me because I noticed that
during the low periods of my life, when I was
suffering from anguish, sorrow or defeat,
I could see only one set of footprints.*

*So I said to the Lord, "You promised me
Lord, that if I followed you,
you would walk with me always.
But I have noticed that during the most trying periods
of my life there have only been
one set of footprints in the sand.
Why, when I needed you most,
you have not been there for me?"*

*The Lord replied,
"The times when you have
seen only one set of footprints,
is when I carried you."*
