## ***“Life is a Journey”***

*Birth is a beginning and death a destination;  
and life is a journey:*

*From childhood to maturity and youth to age;*

*From innocence to awareness and ignorance to knowing;*

*From foolishness to desecration and then perhaps to wisdom.*

*From weakness to strength or from strength to weakness  
and often back again;*

*From health to sickness, and we pray to health again.*

*From offence to forgiveness, from loneliness to love,*

*From joy to gratitude, from pain to compassion,*

*From grief to understanding, from fear to faith.*

*From defeat to defeat to defeat*

*Until, not looking backwards or ahead,*

*we see that victory lies not at some high point along the way*

*But in having made the journey, step by step, a sacred pilgrimage.*

*Birth is a beginning and death a destination;  
and life is a journey.*
